Staff News!

We have some exciting staff news! We are very excited to announce that we have two new deputy managers who will job share the role, ensuring we have full cover of management.

Congratulations to Mandy and Becky who have been given the new position. I'm sure you will all agree they will do an amazing job in their new role. They are excellent with the children and respected by all staff and parents.

Within the team they have all been given new roles to make use of each one of their talents. Vicky will be our new safeguarding lead, Tanya will be taking on the role of SENCO, whilst she is training, she will be working along side Kerry until taking completely over next term. Sue will be our health and safety officer, ensuring everything is well maintained and safe for all staff and children. Hayley will have the important role of being our well being officer, mental health for our children and staff is very important and we are excited to have someone designated to this. I'm sure you will support the staff within their new roles and will be excited as I am for them all to fulfil their potential and offer extra to all our wonderful children.

We are looking for some temporary staff for between now and September, you will need a minimum of level two in childcare. If you are interested, please get in touch.

Thank you for your ongoing support, Kerry 😊

Don't Forget...	Important
<p>Dropping and collecting your child at the correct time is very important, as we staff the nursery on the number of children, we have coming in. Early children could mean that we do not have the correct amount of staff child ratio. We will have to in future turn your child away until the correct time or charge for the extra time they are with us.</p> <p>We are offering staggered drop offs.</p> <ul style="list-style-type: none"> • Mornings 8.45 - 9 AM • Collection 11.45am - 12pm • Afternoons 11.45am - 12pm • Collections 2.45pm - 3pm <p>Latest collection is 3pm unless you have booked your child to stay later. Our staffing levels drop at 3pm so its important your child is collected on time. Charges will apply for late collections.</p>	<ul style="list-style-type: none"> • Jubilee Fundraising Day! Friday 27th May wear white, red, and blue or dress up as royalty! Cake and Jumble sale will be taking place out the front of the nursery. • Holiday Club! Jubilee themed. Please email or call to book your child in. • Covid - in the event of a low staff levels we may be forced to open to key workers only. We are hoping not to have to do this and thank you for your understanding when we had to do this last time.

Summer

With the summer quickly approaching a quick reminder about protecting the children. We will require each child to have sun cream, this must be labelled with the child's name. We cannot administer sun cream unless provided and labelled by the parent. This will mean your child may then be kept inside. Your child will need a sun hat when attending and please ensure they are wearing appropriate footwear. We don't want any accidents, so making sure their feet are covered and not in flip flops is required. We will ensure they get plenty of drink, but you can send them with a bottle (please name them) We can not wait for the children to make the most of the weather and explore the outdoors.

Help

We need your help! We are looking for fundraising ideas and volunteers to raise money for some new play equipment for our garden, we would like a wooden house, balance beams and other play equipment.
Any ideas and help would be appreciated!
